My First Phonics Matching Cards

Parent Guide (Set 1)

This activity helps children practice early reading using Jolly Phonics Set 1 words. Children read the word cards and find the matching picture cards. This helps them practice blending sounds, recognizing simple words, and building vocabulary.

Encourage your child to say each sound slowly and blend the sounds together to read the word before matching it with the correct picture.

For best use, cut out the cards and laminate them or paste them on hard paper/card so they last longer and can be reused many times.

You can also make it a fun game by mixing the cards and letting your child find the correct word and picture pairs.
